Relevant Projects Or Centres

Christian Council On Ageing Dementia Project

The CCOA Dementia Group has established two projects based in the North East. The first three year pilot project based in Newcastle upon Tyne was a teaching and enabling ministry to health care professionals, clergy and others in the north east. The project worker, Laraine Moffitt also researched and produced resources for anyone involved in the care of people with dementia. The second follow-up project, also based in Newcastle and lasting until November 2000 examined the possibility of diversifying and extending the work in a wider context geographically, and of working with other organisations and other faith communities. For details of publications contact Chaplaincy Centre, St Nicholas' Hospital, Gosforth, Newcastle upon Tyne NE3 3XT (Tel 0191 273 6666 ex 28820).

Christian Council On Ageing Dementia Group

This is a network of people who came together initially because they shared a common concern that people with dementia often were not being regarded as persons with the same rights and spiritual needs as any other person. We have sought to promote a person-centred approach to the care of people with dementia. We are always pleased to welcome new members who share our concern.

For details contact Alison Johnson, 33 The Plain, Brailsford, Ashbourne, Derbyshire DE6 3BZ (Tel 01335 361440).

Faith In Elderly People, Leeds

This is a local ecumenical group concerned with the needs, including the spiritual needs, of older people. Gaynor Hammond leads a project especially about those with dementia and their carers. FIEP has also developed the Memory Box to help stimulate the memories of people as they grow older.

For details contact Gaynor Hammond 29 Silverdale Avenue, Guisley, Yorks LS20 8BD (Tel 01943 879 320).

The Halley Stewart Project

This project was co-ordinated by Rev Albert Jewell who recently retired as Senior Chaplain of Methodist Homes. Amongst other resources, the project produced a series of booklets written to help individuals, local churches and other interested groups share a deeper understanding of the spiritual needs of older people.

The subjects of the booklets are as follows:

- 1 Spirituality in the Later Years of Life
- 2 Adapting our Lifestyle in Retirement
- 3 The Ageing Single Person
- 4 Ageing in a Strange Land
- 5 Facing Terminal Illness
- 6 Older People and Bereavement
- 7 The spiritual Needs of People with Dementia
- 8 A Last Home
- 9 Those who Care for Others
- 10 The Church's Ministry to ageing People.
